Senator Potter reports

... the latest news from Washington
of special interest to Michigan ...

EYES AND EARS of the nation focused last week on the Caucus Room in Washington's Senate Office Building where television lights and camera flashbulbs shone on Dave Beck, General President of the powerful, rich Teamsters Union. Mr. Beck, under questioning by a special committee investigating racketeering in labor and management, defied the Senate and the nation's top union leadership by refusing to answer or release his records.

Mr. Beck faces charges that he used hundreds of thousands of dollars of union funds for his personal ventures. It is deplorable that almost one and a half million rank-and-file teamsters must watch such a performance by their king-emperor. Certainly none of

it reflects on the union membership, but it has no doubt that they must be wondering and rightly so — why top officials can freely dip into the union till while they, as members, are forbidden that privilege.

THE LATE SENATOR Arthur H. Vandenberg of Michigan will, I hope, be honored by a portrait in the Senate reception room. I have nominated him for this special tribute, soon to be accorded to five deceased Senators distinguished for acts of statesmanship transcending party and state lines. Senator Vandenberg, who died in 1951, led a freshman member of Congress. I had the privilege of Senator Vandenberg's guidance and counsel. Now, as senior Senator from Michigan, I have his able and courageous record before me always as a source of inspiration.

MICHIGAN WON Senate approval of four important navigation and flood control projects last week but they still have a long and bumpy road to travel before construction begins. Wrapped in the 1951 Rivers and Harbors bill were these proposed works: St. Joseph Harbor, Kalamazoo River, Grand River and Saginaw River.

Believe it or not, a project of this type in Michigan I have under way after completion of twenty long legislative steps, involving hundreds of local citizens, Army engineers, members of Congress, and the President himself. Each step may require months for completion. It would take this entire column to thoroughly describe the process, but there's some satisfaction in knowing that the system was devised to protect the taxpayer.

THE ECHOING stone hallways of the U. S. Capitol are thronged with visitors these days. They come to glimpse, enjoy the fresh spring air, ogle the budding cherry blossoms, and visit their Senators. Last week over two hundred visitors from all corners of the State — as far north as Marquette and as far south as Berrien — called at my office. Mr. and Mrs. Duane Baldwin of Stockbridge were among them. Mr. John Young led 85 Detroit Free Press newsmen into my office Friday morning and the entire sixth grade of Maitre School in Grosse Pointe, led by Mrs. H. G. Brimley, solemnly marched through my office for an inspection.

DID YOU KNOW that Detroit's Michigan Avenue was once the Great South Trail, running between Dearborn and Ypsilanti? Back in the 1830's homesteaders outfitted themselves in Detroit for the westward trek over the trail. They traveled deep in sticky mud — rather over — corduroy roads leading through a wet, elm-shaded plateau called "Thirty Mile Swamp." Nightfall generally found the weary travelers at the Ford estate. "Old Coon" Ten Eyck's Tavern, one of the most historical hostleries in the southeastern section of the State, it stood opposite the present entrance to the Ford estate. "Old Coon" usually welcomed the travelers in person, shouting to his wife: "Sally, put on some more wolf steaks!"

Calvary Baptist Installs New Church Furniture

This past week has been another very busy week at the church. Once again our men have answered the "call to special service," this time it was for the installation of new church and auditorium furniture. The furniture was purchased from the American Seating Company of Grand Rapids, Mich.

The church furniture is made of oak and the auditorium pews are made of elm. Both church and auditorium furniture have a blonde finish. The new furniture not only adds to the beauty of the church, but also is conducive to worship. The furniture will be dedicated at our Easter service.

The next two weeks have been aside for an extensive visitation program for the church. During this visitation we want to personally extend an invitation to all to visit with us during our Easter service. The service will be conducted at Calvary Baptist Church at 7:30 P. M. each evening with the exception of Saturday nights, April 28-May 12. Our special service will be held at the Rev. Paul E. Rowley, pastor of the First Baptist Church of Holland, Mich. There will be musical selections each evening. All are invited.

This Friday pastor and Mrs. Alvin Johnson will participate in the Good Friday Service at the Michelson Memorial Church. "Easter Message" will be delivered at the 11:00 A. M. worship service. Mr. Floyd Davis will present special music for the occasion.

We cordially invite you to visit us this Easter Sunday.

Grayling High Host To Student Councils

Student Council day at Grayling High school, Thursday, April 4, opened with the registration of thirty-four student council members from Boyne City, East Jordan, Gaylord, Charlevoix and Pellston high schools, and their sponsors, Mr. Maurice Dixon of Boyne, Mr. Demuth of East Jordan, Ivan Davis, Sr. of Gaylord, Harry Bingham of Charlevoix, and Mrs. Riemann of Pellston. Grayling High student councilors Nancy Reva, Bob Houghton, Judy Weaver, George Lucksted, Elaine Rochette, Ed Skinner, Pat McNeil, Roger Hatfield, Mary Ann Engel, Frank Gross, Kay Ann Thibault, and Gary Russell, escorted the guest groups on a tour of the Grayling Fish Hatchery at 10 a. m., and a visit to the Bear Archery Company at 11. The council members had been given a tour of the Grayling High school during registration.

After lunch, as guests of the Grayling council, a trip to Camp Grayling was taken. The groups were met at the Grayling High gymnasium at 2:15 to be welcomed by Superintendent of Schools Joseph Stripe. A discussion of five topics: Bermuda shorts; cheerleaders, who sponsors school finances them; Money raising projects for school organizations; Keeping the schools and communities clean; and how to obtain the cooperation of students in school projects; was followed by reports from the recorders, and a general discussion. Dismissal of the meeting was at 3:30 in the afternoon.

Brownie Scout News

The Brownies were brought to order April 2 by President Linda Palmer by singing "Wonderful Words of Life." The leader gave a lesson on the words of love and life. The song "The Beauty of Jesus" was sung very softly as a prayer song. The Lord's Prayer was recited by all. Roll call was answered by 18 girls naming the flags of other countries.

Cheer then tied a baby quilt and sewed on more buttons on purses for Easter. Linda Palmer celebrated her birthday with a lovely cake decorated with flowers. By her mother, Linda and Sandy Middleton served. The baby quilts are all ready to be given to the Hopkins and Sherry.

At the April 9 meeting, the "Brownie Smile" called the girls to order. All stood and recited their Brownie promise and then sang the prayer song, "Into Our Class." The story "Little Red Hen" was read. Roll call was answered by "Easter Suggestions" followed by the song "Rock My Soul." The girls all sewed on buttons. They will receive their purses next Tuesday the 16th. The game "The Big Surprise" was played and enjoyed. Penny Dunkley and Kay McDowell served.

People Want To Be People...

Joseph Alsop warns that Soviet military-industrial power is growing, and that we must not lag behind in the race.

At the same time, he finds grounds for long-range hope. Here, in his words, is why: "The Soviet failure, which has only been really proven in the last year, is its failure to produce the famous 'new Soviet man' so long envisaged by the Kremlin's masters. The moral laws have not been repealed in the Soviet Union, even though they were temporarily suspended by sheer error. Men and women have not lost their desire to be free. People still want to be people, instead of a higher form of ant."

In this way lie the seeds which will bring ultimate

Federal funds will pay 90% of the building costs of the great new National System of Interstate and Defense Highways. This state pays the other 10%—and pays all maintenance cost forever. That's why taxpayers favor the use of durable concrete for these roads. Concrete's maintenance costs are lower—much lower than the annual maintenance cost of the next most commonly built type pavement.

And since maintenance costs come out of your state's highway budget, the use of low-maintenance-cost concrete leaves more money in the highway fund to build other urgently needed new roads.

Your support is needed to insure the choice of concrete for UD-27 expressway construction. Act now to get the best for Northern Michigan. Economical and durable concrete pavement.

destruction to the communist tyranny. Meanwhile, we must watch and wait—and carry a big stick.

Bad Business...

The following is from National Review: "The New Jersey Taxpayers Association says New Jersey wants no help from the federal government for school construction. Testifying before the House Education and Labor Committee, the group pointed out that New Jersey would have to pay out \$2.33 for every dollar received under one proposed bill and \$1.41 under a second."

In other words, federal aid to the states of this kind is a bad financial proposition. It is also bad for a far more important reason. If the Federal government is to do everything and administer everything, the logical course is to forget state and local rights and responsibilities and accept the super-government philosophy in toto.

Karl Marx's Ghost...

The working of Karl Marx's ghost in the United States is revealed by editor Celdon of the Carroll County, Maryland, Times, in the following editorial:

"The present Federal income tax structure is exactly the same kind of tax system advocated by Karl Marx for the destruction of the middle classes and of capitalism itself.

"Marx could not have devised a more monstrous tax plan than our present program which is leading to complete destruction of all individual freedoms.

"Our American system of taxation has changed in purpose from providing revenue for the support of the government to a scheme for revolutionizing our social system.

"The tax system has gradually been adopted so that it is devised not to raise revenue but to reform society and to mold the lives and to distribute our wealth, according to the ideas of the economic and social planners.

"The top rates of the Federal individual tax is about as close as one can get to outright confiscation of property without due process of law. Ninety-one percent of incomes is imposed on the highest incomes and the destructive effect of progressive rates starts way down in the middle income groups just as Marx visualized.

"There should be a revision of the present discriminatory and confiscatory tax rates. This would release the tax blocks and assure maximum growth of all business without government manipulation and control."

The Board of Supervisors of

Crawford County have made arrangements for the services of a County Agricultural Agent who will work in Crawford, Otsego and Montmorency counties. Meetings have been scheduled for April 27 at Maple Forest town hall at 10:00 a. m., and at Beaver Creek town hall at 2:00 p. m. to enable the County Agricultural Agent to get in touch with the farmers of the county. The chief discussion will pertain to the loan system of the Farm Credit Administration, which makes credit available to farmers through one of two channels. Other matters relative to general farming practices will also be discussed. A. W. Glidden, agricultural agent of Otsego County will have charge of these meetings and will be prepared to answer such questions as may be desired. Our Board of Supervisors is paying for the services of Mr. Glidden, done in the interests of our farmers, and every advantage of Mr. Glidden's service should be taken whenever possible.

The high school dance sponsored by the Hi-Y club on this Monday night was a great success. The music began promptly at nine and continued through the night without any of the bothersome intermissions that have so slowed down several of the other parties of this kind. Everyone had a good time as is shown by the fact that no one left before the last piece and many reluctant to leave even then. The big feature of the night was a grand march led by Bob LaMotte which left everyone breathless and flushed.

Mr. and Mrs. George Lutz (Alberta Williams) are the parents of a new daughter, Bertha Louise, who was born to them April 12. Spike's Beer Garden on Tuesday, April 24, is featuring Estelle Calloway, sister of Cab Calloway. The orchestra is making its first appearance into Northern Michigan that evening, and it is the first band of its kind to come to this part of Michigan, with the best of artists and stars from Radio Land.

Mr. and Mrs. John Brady, children Mickey, Sally Lou and Bobby Lee, spent Saturday and Sunday in Bentley, where they visited Mrs. Brady's mother, Mrs. Richard Bartlett.

Mrs. Alice Brink-Hyatt and her mother, Mrs. R. W. Brink of Bay City, were Grayling callers yesterday and the former was a guest of Mrs. Earl Hewitt while here. The ladies had been in attendance at the district federation of women's clubs at Gaylord.

Thorwald Sorenson, Mrs. George Sorenson and Mrs. Alfred Sorenson left yesterday for Saginaw to spend several days. They were accompanied to Houghton Lake by Mrs. Thorwald Sorenson and daughter, Jeanne, where they are visiting her parents, Mr. and Mrs. Elmer VanSickler.

Mr. and Mrs. Edward Morrissey of Grand Rapids and Mr. and Mrs. Clarence Eklens and son Conrad of Bay City visited the ladies' mother, Mrs. Kate Loskos, over Sunday. Mrs. Carl Loskos and son Roger of Grand Rapids, who accompanied the Morrisseys here, are remaining for a ten days visit.

Grayling's liquor store, known as State Liquor Store No. 74, opened its doors to the public last Saturday afternoon in the old bank building. A large patronage was enjoyed on the opening day, keeping the manager, Ernest Larson and Wilfred Laurant, cashier, busy until closing time. Among the patrons were many from out of town.

Sam Smith is enjoying his broadcasting apparatus. There are about 40,000 broadcasting plants similar to his on the air and frequently, he says, he contacts stations in remote parts of the country. Last Sunday at 3 a. m. he contacted station V. V. 2 R. M. at Cortlandt, British Guiana, South America. He says he carried on a conversation with that station for about 45 minutes, a distance of about 4,000 miles. Sam's is a home-made broadcasting set, but he seems to be able to reach a broad field. While he is a licensed operator still his

broadcasts must all be in the telegraph code system. He is making a lot of new "on-the-air" friends by his contacts.

Mr. and Mrs. Frank Tetu of West Branch called on relatives and friends here Sunday.

Carl Michelson of Mason, arrived Tuesday. Accompanied by Esbern Hanson, he is spending this week at Sunrise Club on the AuSable. They are having as their guests today Wilhelm Haase, Harry Reynolds, T. P. Peterson and Jesse Schoonover.

Charles Corwin was a year older Friday and Mrs. Corwin to celebrate the event invited in all of the relatives and there were about 35 there. Of course it was an agreeable surprise to Charlie. Cards and visiting made the pleasant evening pass all too soon. Mrs. Corwin served a delicious lunch and among the good things was a birthday cake.

Joe Schepke, who works at Peter Lovely's camp, was the winner of the silverware set at the Cornine Grocery.

Frank Gorman and family of Muskegon were here over Sunday night visiting the former's brother, Maurice Gorman and family. Lawrence Kessler resumed his position as clerk at the A. & P. store Monday morning, having been absent for several months owing to illness.

Mr. and Mrs. Adolph Peterson, Mr. and Mrs. Axel Peterson and Mr. and Mrs. Eugene Papendick spent Saturday night and Sunday in Life Lake visiting relatives of the latter.

EVERYTHING YOU DO!

FROM THE MOMENT you awaken until you go to bed, almost everything you do is closely dependent upon the operation of trucks. In fact, even while you're asleep, trucks are working for you. (Beds arrive by truck, too, of course.)

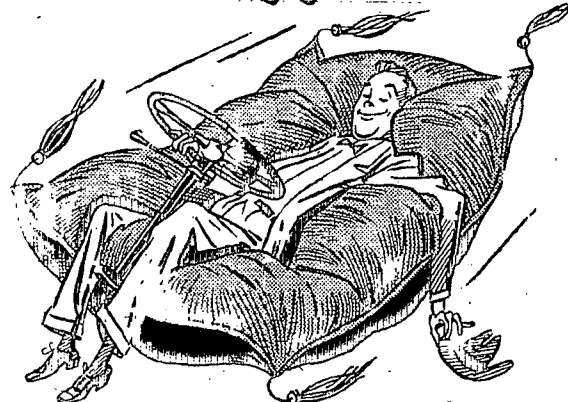

Without trucks, your favorite food market would have empty shelves. Without trucks, you wouldn't find gas stations located conveniently almost everywhere you turn. Without trucks, the building of new homes, factories, and stores would slow to a walk and businesses of all kinds everywhere would suffer.

Sooner or later, everything you eat, wear, or use depends on trucks for transportation. Eventually, everything has to get to you — the consumer. So, when you consider that trucks haul THREE TIMES the tonnage handled by all the other forms of transportation combined, you realize how very important they are to YOU.

Mrs. Ruth C. Kettunen (seated at the ironing board above) of the Michigan State University Home Management Staff demonstrates one of the many "heart-saving" techniques which she will teach in the Heart of the Home Classes being offered free to all Crawford County homemakers by the Michigan Heart Association. Sitting down to iron lessens the strain placed on the heart by reducing the physical effort expended. Heart Association officials point out Homemakers attending the classes learn practical ways of making their housekeeping simpler and easier by eliminating wasted energy and unnecessary steps.

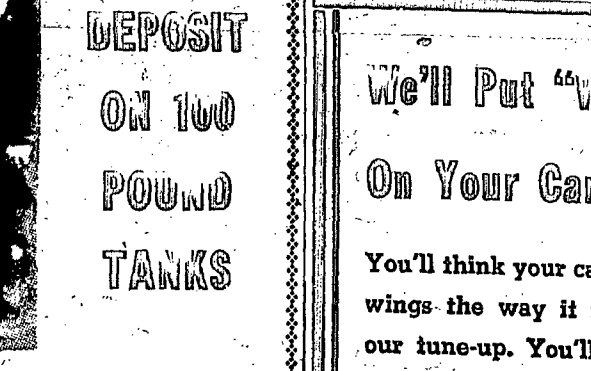

Free "Heart of the Home" classes in work-simplification techniques, to teach Crawford County homemakers to do their daily housework simpler and easier with less strain on their hearts, will be offered in Grayling, Michigan, starting Thursday, May 2, 1957. The series is financed and sponsored by the Michigan Heart Association working in cooperation with the Crawford-Kalkaska County Cooperative Extension Service, according to M. S. Chambers, M. D., President of the Michigan Heart Association.
The announcement is of special importance to all women who are incapacitated or disabled by heart disease; high blood pressure, hardening of the arteries, coronary heart, varicose veins, rheumatic heart, and other disabling illnesses.
"Most homemakers can enjoy the luxury of extra time and energy that results from finding better and easier ways of doing things," Dr. Chambers, stated, "but for the homemaker with heart disease, the saving of time and energy is an absolute necessity."
Each homemaker attends four (two-hour) lecture-demonstration classes which will be held on Thursdays, May 2, 9, 16 and 23 from 9:30 a. m. to 11:30 a. m. and will meet at the American Legion Hall in Grayling on Highway 27.
The work-simplification classes, which are a free community service of the Michigan Heart Association, are designed to fill the doctor's prescription of "take it easy" by showing the homemaker how to save as much as 75% of her walking, 75% of her movements and 60% of her reaching. This tremendous saving of time and energy means lessening the strain placed on the heart by reducing the physical effort expended by the homemaker.
Mrs. Ruth C. Kettunen of the Michigan State University Home Management Staff conducts the classes. She emphasized that the classes are designed to benefit any economic level and that it is not necessary to remodel a home in order to conserve the homemaker's time and energy.
"Any homemaker can learn to 'take it easy' while doing her various household tasks," Mrs. Kettunen said, "by merely following the work-simplification techniques, principles, and ideas taught

in the "Heart of the Home" Classes.
Homemakers with an ailment of the heart or blood vessels will be given first listing, although any homemaker in the county can register. Homemakers in this area may register for the free classes by calling or writing Miss Jane Venable, Home Demonstration Agent, Court House, Kalkaska, Michigan, telephone ALpine 1-5181 or Mrs. Earl Broadbent, 404 Duff Street, Grayling, telephone 3097.
Homemakers are urged to register this week in order that they may attend the first class on Thursday, May 2, 1957. No medical advice, diagnosis, treatment or examination is given in the "Heart of the Home" Classes.
The North Central County Medical Society has endorsed the entire program and Doctors of Medicine are urged to refer their patients to the classes.
The "Heart of the Home" program is made possible by the Michigan Heart Association through funds received from United Fund campaigns conducted in many Michigan communities.

This team bowled for two years in the Grayling leagues and all the members are well known in Grayling kegling circles.

BITS O' TALK

Mr. and Mrs. Frank Jones stopped to visit the Jerome Strongs Tuesday of last week enroute home to Curtis in the U. P. after a winter in Phoenix, Arizona.

Mrs. Florence Douglas and son John plan to spend the next ten days at Augusta, Ga., visiting their daughter and sister Miss Marjorie, who is a member of the Women's Army Corps stationed at Fort Gordon.

Mr. and Mrs. George Griffith spent last Wednesday and Thursday in Lansing.

Sam Rasmussen visited Grayling a few days last week, tending to business. He flew up April 6th from Lake Worth, Fla., returning Wednesday the 10th until the first of next month.

Rummage sale at St. Mary's Hall on April 26 and 27. For pick-up of rummage phone 3772 or 4287.

Mrs. James Lynch returned to her home here last week after spending the winter in Bay City.

Herbert Wolff left Friday for Grand Rapids to attend a Michigan United Conservation Directors' meeting at the Pauline Hotel. It was a two-day session, ending Sunday noon.

Tommy Stancil and son Arnold returned Monday of last week from spending the winter at Ft. Lauderdale. Mrs. Stancil was to leave with the rest of the family on Sunday, stopping in Virginia to see her nephew, Hn. Emil Niederer, at Portsmouth.

The Rev. and Mrs. R. C. Puffer were in Reed City on Wednesday of last week to visit his stop-father Clarence Seibring who is critically ill in the hospital there. They also visited Mr. Puffer's sister Mr. and Mrs. John Elder in Evert.

Choose your loose diamond from our selection. We will mount it while you wait at Davis Jewelry.

Correction: Mr. A. L. Hull was a member of Grayling O.E.S., No. 83 and not Grayling Lodge F. & A. M., No. 356. He was a past patron and was associate patron at the time of his death.

Mr. and Mrs. Fred Bear entertained Mr. and Mrs. Elsie Gray II and son Major, of Benton Harbor, over the weekend. On Monday the Bears, Mrs. Charles Kroll and children Christopher and Hannah left for a three-week vacation in Florida.

Mr. and Mrs. V. R. Stolle and daughter Nancy arrived at the Matt Bidia home last Thursday from Tokyo, Japan. Mrs. Stolle's sister, Mrs. Bidia, left with them Friday for Rogers City to spend the weekend in a family reunion with the ladies' father, Mr. W. C. Wenzel. Mr. Bidia and daughter Susan joined them on Saturday.

Mrs. Minnie Hartley visited her daughter and family, the John Seleskys, at Rose City for a few days last week. Her grand-children Verna, Barbara and Jeffrey came here with Mrs. Hartley to visit until last Sunday.
